FRIDAY MORNING, NOV. 23, 1868. CONSTITUTIONAL PROBIBITION.

Il it is true, as the marane which her there f the members of the legislature in lowa-se, that there is a majority against subsecond ment prelibbiling the manufacture and sale of figure the engineer the state, it will prove to be no detiliment to see came of temand arrelating to the fundamental assection for been out off, and this argument was such legislation. So far as the emectant of relicrated and humaned by Mahone and probability for apparations of the possible way to disarm criticism at the north the lowest law, perhaps so as the prevent the passage of the prevent the passage of a House law, and this leave a state in which there abould be a majority, of even a solved by Tax Osmotoran, which put listed the passage in which there abould be a majority, of even a solved by Tax Osmotoran, which put listed the community. Finally the trong minority of people who wanted liquor o firmle, in presidely the same condition Obto may been in since the adoption of its constitu-ion, which declares that the House to trafficthe last consent assembly of the tax law

or Sherman, "for more than thirty years

by, without costrain; and without tax-

the state. The famous maxim of Louis XIV., hy existed upon force by the stone ganius of Frederic. But went, notwithstanding the checks continue which it sought to interpose as with recently consurred, "both in theory and er will. It is true of us. in a sense Been it of any former political society, that if i judge which possesses, as an accomplished ordered has said; "perhaps the caprices but rament is the overe function through which 16. No man has had a clearer perception of the perpose which the framers of the constitution Washington did when he wrote in only wish, whilst I am the servant of public, to know the will of my masters at I may govern severif accordingly." The strated, nor even suspected perhaps by lment. Then it was shown that the sover guty of the people was not confined in the ers, fone of the most precious results of on stemped has been to ours us of the habit

looking so exclusively at the more formal metitudes, and turning our gase to those sper conditions of instead unity and

tory of the north over the south, but rather

opinion is the true and only severmarily, to give a man or a the sphere in which their superiority and control of public opinion. All laws It was Shakaspears, we think, who said that men are composent to gain, highes which they are not competent to hold. How often has this been illustrated in legislation, and in the age philosophical is leave the state free to act such laws, either prohibitory, or licease, tex, for the regulation and restriction of the iquer traffic, such as the supreme court of the United States save It has authority to pass, in the comment of its "greet and conservative poeffective, according to the degree of its dightenment and progress, rather than to not live power and embacrass the solion of the popular will. It is a weste of mergy on the pers of the friends of temperance and of pro-tiotion, a middlessition of energy, to expend so middle time and personal in offerie to secure ducating and directing that public will, which gence, of all the virtue of the state." The adcoates of constitutional prohibition are in larger of expending their force presenturely. that he failed at the critical point. Tempernos legislation, in order to us effective, must be ide to conform to the evident names and A democrat has shown his lack of confidence

is the result of the next presidential campaign by the suggestion that the democratic legisla-teries of California, Indiana. New Jersey and Quio should exercise the constitutional providon that "each state shall appoint in such pass a law to make the appointment of electors the direct work of the house and senate, instead of the popular vote of the states. This has on the practice in South Carolina semetime rould be a cowardly retrest, which the demowaste even would be unable to endure. The was a family named Crowley, who seemed to be pe people are not yet ready to forego the privilege of voting for their chief executive officers.

NEWSPAPERARCHIVE®.

THE ORMOGENE SE TENTIONS OF the 'Oth, asserts the readjusteris of Virginia, of which Michael is the head and brains, are unjustly secured of repudiation because they sesigned to West Virginia her proportionals part of the original state debt, The truth is, the readjusters had nothing to do with this reminertoe, which was accomplished by the "franking bill" passed by a democratic legislature in 1891, and no one ever questioned its fairness. But the readjusters justly incurred the same of reputishers when, in 1891, in, apite of the afforts of the "Bourbon democracy," they passed the Edddhors ger hill, which further scaled the state data about

The Standard is greatly mistaken; its errors are conspicuous through the whole of this con-fused paragraph. There has been but one "remt" of the dalpt of Virginia, and that The sole argument for it was this, namely, that the constitutional amendment would not spoulation and taxable property had population and taxable property had been out off; and this argument was restorated and hammered by Mahone and annatance of it with commonts. F. nally the Riddleberger bill sattled the matter on the basis thus proposed; and in one of the resoluis the Riddleberger bill as a final sellement of the passet on maintain for the passet on the passet of the statement that a demonstrate of the statement that a demonstrate of the passet of the democracy they passed the statement of the statement that a demonstrate of the statement of the The servences of constitutional prohibition name of repudiators when, in 1881, in prince the function of government under a the efforts of the democracy, they passed the stars like early where the representative Biddleberger bill." Again—to correct one onling has not said that the Mahone party families.

Was "majurity acoused of repudiation." It has said, however, that it does not lie in the months of the "regular" democracy of Virginia to denounce the "regular" democracy of Virginia to denounce the "regular" have distinctly accepted and solemnly pledged themselves to maintain the Riddleberger ball. The pot gains nothing by calling the kettle black.

**The political properties of the reception of the properties of the results of

tin Luther a set because history saith that he could understand the lumber beginned received owned a beer pot, which showed evidence of the could be considered to the could be conside power; as the owned a beer pot, which showed evidence of insisted, is in such wear and tear, the Observer says: "We have not a doubt that the great reformer drank; the open two grove from the grove from the common Catholic prices in Germany drinks hear the great reformer drank; the common Catholic prices in Germany drinks hear the great reformer drank; the common Catholic prices in Germany drinks hear the great reformer dranks. The common Catholic prices in Germany drinks hear the great reformer dranks and the great reformer dranks. Roman Oatholic pricet in Germany drinks beer severy day. Probably the anthor of this libel on Links obtained of the libel on Links of the Links of t Luther drinks beer or brandy every day. In our judgment all of them would be better and our judgment all of them would be better and do better if they would cease drinking beer or brandy. But to call a Romish priest a set because he drinks beer with his dinner would be infamous, and such is the falsohood perpendicular for the second a copie delay oracle. However, the second a copie delay oracle are for anyone to second a copie delay oracle. However, the second a copie delay oracle are for anyone to second a copie delay oracle. However, the second a copie delay oracle are for anyone to second a copie delay oracle and the second a copie delay oracle and the second according to the second

ed the torpedo and other inventions of destruc-tion with much dread, but it is probable that the effectiveness of those engines of destruction will become so great that nations caunot afford to go to war with each other. The terrine power of the torpedo and the multioherage gun power of the torpedo and the multioherage gun polytocaristing between Tourman & Lucourine may hasten the recognition by all nations of the value, as well as the humanity, of the American star, the substitution of the value, as well as the humanity, of the American transfer of the restriction and the star transfer of the restriction of the value, as well as the humanity, of the American transfer of the restriction of the value, as well as the humanity, of the American transfer of the restriction of the restric

The aspirants for office in Dakota apparently absorbed what interest in "statebood" there was "lying around loose" in the territory, absorbed what interest in "statebood" there was "lying around loose" in the territory.

DOUTHERN ORRECON MISTORY.

To THE Entrois OF THE ORRICOTERS:
Nov. 19, 1983.

To there that one of your contributors over the signalure of "Pionese," in your lease of the 18th innt., in giving the origin of atreams in southern Gillon is greatly mistaken in his facts. Heistates that "in 1869 Miss Leital, was killed by the Indians and buried upon the healt of the stream, since which time it has been called Grave creek."

The facts are that in 1866 the first immigrants came to Oregon via the southern route. A party from Missouri snoamped upon the bank of the stream, where a young ledy by the name of Crowley died. Miss Crowley's mother and several olded, of the creditives now reside in this sounts and are well known to the writer of thu. He friends made a rough outfile. or all the wills, of all the intalligence, of the written of the written of the matters." It is not so difficult to smeath of the written of the matters." It is not so difficult to smeath of the written of the matters. This not so difficult to smeath constitution of the written of the writt

da zum if the singer which is to the faces of the faces were sectived around the bones of the faces were sectived around the open grave. We fairly like the faces of the faces are short went, in the state of the faces are the faces of the faces and the faces of the faces are the faces and ten few faces. The hote integrals were strong warth of the midenmental faces. It is much single faces of the faces are the faces and ten few faces. The hote itself faces at the faces, and ten few faces. The hote itself faces are the faces are the faces, and ten few faces. The hote itself faces are the faces are the faces and ten few faces. The hote itself faces are the faces and the faces of the faces are the faces of the fac

sac; consoluble into we has properly cline. Inserticate Grave creat, I have frequently planed the sire about ten poper and the last tilter about ten poper are properly cline and the last tilter about ten poper are properly living witnesses, it is apparent that the stream was sauned frace creat some two or three views before the time that "Floncer" is as saily at fashit in his facing about the name of Jump, off-to at fashit in his facing about the name of Jump, off-to at fashit in his facing about the name of Jump, off-to at fashit in his facing about the name of Jump, off-to at fashit in his property proposers as attacked by the may be about the fashing the fashing the fashing the fashing and for a fashing the stream took its as act from an emplot of Jo McLaughlin, but of a different character and at a time, only previous to the date "Floncer" gives. It was in 1837 or 1833 that has been an experienced the stream and Jo McLaughlin hower way it at a forward. For appearance the stream and the at Yout Vancouver in December, 1868, and, consequently, was not Spating Indians or prospecting in southern Oragon, as Plotter and St. Projects are always called Jump, Off-Jon 1631. Popicer's stream was called Jump, off-Jon 1631. Popicer's

ad died an average, as not Spanny and died an average, as no spanny in southern Oragon, as Pioneer any, as no in southern Oragon, as Pioneer any, as in the 50's. "O my certain knowledge the strang was called Juny-06-Jo in 1841. Flopher's accounts of Genat's pass bring mand from the general having played a game of scorpe thera, it any increip in philocal, as denoral Grant never as directly present the Rouge rivery wiley, and I don't helieve that he played acontred anywhere.
